

Rule 5 – Classes of Membership

The model rules set out the classes of membership of an association. All associations who adopt the model rules have an unlimited number of 'ordinary members'. Other classes of membership could include associate, life or honorary membership. In the table below:

1. For 'ordinary members' fill in columns (b) and (c). (Column (a) has been filled in for you already in relation to ordinary members.)
2. Fill in all columns if the association has additional classes of members.

If the association has a class of membership specifically for persons under 18 years of age, note that these members are not entitled to vote (unless permitted by law) or to hold positions on the association's management committee. These limitations should be reflected in column (c) headed 'Membership Limitations'.

Class of Member	Description of Membership (Complete all columns)		
	(a) Number of Members in this Class (Describe the number of members. Put 'unlimited' if there is no limitation at all.)	(b) Membership Eligibility (Describe what criteria have to be met for this class of membership.) Please note: entry requirements should differentiate between the classes of membership. Please do not write 'Nil'.	(c) Membership Limitations (Please enter 'nil' if there are no limitations.)
Example: Junior Members	No more than 100 junior members at any one time.	<ol style="list-style-type: none"> 1. Must be under 18 years of age. 2. Must be a registered hockey player. 3. Must support the objects of the association 	<ol style="list-style-type: none"> 1. May not vote (unless permitted by law) 2. Not eligible for election to the management committee.
